Itinerary

^

4 WAKAS -^ CUSCO

Typical Peru invites you to know the valleys that surrounded our city, through our adventure stroll, 5 hrs where you will relax and forget the daily routine of the cities

^

ITINERARY:

One day before your adventure on the valley our tour guide will come at your hotel to give you the instructions, at the agreed time, our staff pick you up to lead you at the archaeological site of **Puca Pucara (3750 feet.)**, Here you will receive the downhill equipment and recommendations for our adventure, we going

down for a narrow path, passing by the small town of **Yuncaypata**, from here we are going to go down, passing and visiting archaeological sites as **Inkiltambo** (jail), here we have a break time, on the bottom we can appreciate a small group of terraces named **Chuquiquirao**, more down, there is a panoramic point named Rumiwasi (stone house) special place to take photos of the city of Cusco.

Continuing our adventure in couple minutes will be in San Sebastian district, to return at your respectable hotel in Cusco.

INCLUDE

- Transfer Hotel to Puca Pucara - San Sebastián to Hotel
- GT bicycle, gloves and helmet (Equipment)
- Professional tour guide
- Snack, first aid kit.

WE RECOMMEND TO BRING

- **Rain clothing (November - March), sunscreen, sunglasses, and a small backpack.**
