## Itinerary

### Huchuyqosqo Horseback Riding

**ROUTE TO THE SACRED VALLEY** This new adventure horse knows the enigmatic Huchuy Qosqo archaeological site, where we can observe in its splendor the Sacred Valley a place full of Andean landscapes, wildlife and the variety of microclimates .

Let us know Peru:

#### DAY 1: CUSCO - SAQSAYHUAMAN - HUCHUY QOSQO

Our staff will pick you up in the morning to go to the northeast of Cusco, Sacsayhuaman (3600 masl.) Starting point of our ride, where the carriers will be waiting with the horses.

Ascend the mountains of Cusco up to the oxbow lake Queullo (3800 masl) comprising large numbers of birds, this place will have our lunch break, continuing our ride we will go in the direction from where we Challu Challu breathtaking view Piuray the lagoon, today Qoricocha provide water to the city of Cusco arriving at Abra de Rumicruz start to go down in our way we pass high Andean peoples

as Pucamarca, continuing for the mule to the archaeological site of Huchuy Qosqo, where we have stunning landscapes of the Sacred Valley of the Incas and snowy as Sawasiray, Pitusiray, Veronica, the Inca-colonial peoples Lamay, Calca, overnight and dinner.

#### DAY 2: HUCHUY QOSQO - LAMAY - CUSCO

The dawn in this beautiful place, with the first rays of sun illuminating the archaeological site after our breakfast we will have a private guided the place, then our horses down a bridle path towards Lamay (2960 masl.) Here we our lunch, afternoon return to Cusco arriving at 17:00.
