## Itinerary

Â

This valley located a few kilometers from Cusco offers us an unforgettable tour, where in the route will pass for icons as for example the second old university in PerÃº, San Antonio Abad, Condor Apuchin,

In the route we are going to visit some restaurants, where we can find the typical dish of cusco the chicharon(pork), guinea pig, at our arrival to **TIPON (3500 feet)**, one archeological site, dedicated at the experimentation of andean products.

Passing for Oropesa small town, popular for the baking of big breads and its colonial church, continuing our trip we will see Huacarpay small lake, Rumiqolqa, Pinipampa it is another town where there are factories in the production of tiles, at our arrival at theÂ sixtine chapel of America **ANDAHUAYLLILLAS (3122 feet)**, built in the 16th century, inside is posible to see painting of the CusqueÃ±an school of great quality, goldwork, silverwork.
